The screenshot shows the 'Annual Assessments' page for 'Form 004177'. The page is in 'Draft' status and is 'In Progress'. The left sidebar contains navigation options: QA, Review, Action Plan, Closed, Next, Save, and Save & Close. The main content area is titled 'VBP+ Resources - Producer Guides and Templates' and includes links for 'VBP+ Reference Manual' and 'Sample Records and Templates'. A red banner states: 'If you require assistance with electronic process please call Renewals Department @ 587-328-5980 or email renewals@verifiedbeef.ca'. Below this, a message reads: 'Record Assessments are subject to Quality Assurance and quality control and to maintain our vigor and standard of the VBP+ Delivery Services Inc program. The record assessment relies on an open and transparent process. It is a serious offence to intentionally omit or disclose any issues that may be material to this record assessment..'. The 'Change Management Questionnaire' section includes a 'Renewals Coordinator' field with 'Support, ITRAK' entered. A question asks: 'Since your last annual assessment, have you made any major changes to your operation *'. A dropdown menu shows 'No'. A note explains: 'For Example: Change in ownership add or remove location added or removed production models (feedlot, background, feeding natural/organic) etc'. Below this is the 'Annual Assessment Details' section, which is hidden for the producer. It includes a 'Renewal Event' field with '5 - Environmental Stewardship and Conservation, 5 - Leadership and Mentoring' and an 'Assessment Year *' field with 'Year 5 - Self Declaration'.

- 3) Congratulations, You have now arrived at the annual assessments page
- 4) Review the scoring criteria
- 5) Press edit to open questions for scoring

The screenshot shows the 'Annual Assessments' page for 'Form 004177', specifically the 'Environmental Stewardship and Conservation' section. The page is in 'Draft' status and is 'In Progress'. The left sidebar contains navigation options: QA, Review, Action Plan, Closed, Next, Save, and Save & Close. The main content area is titled 'Environmental Stewardship and Conservation' and includes a 'Scoring Criteria' section. The criteria are: 'N/A Not applicable to operation', '0=Little or no Awareness of topic', '1=Some Awareness of topic and evidence from records', '2= Good awareness, verbal protocols articulated well, has sought out professional advice, verbal', and '3= Written protocols, records, Professional advice evident in written protocols'. Below this is a list of questions: 'RA9-A How do you manage water resources?', 'RA9-B How are manure and soil nutrients managed?', 'RA9-C What practices or processes do you employ to enhance biodiversity and protect habitat(s) of wildlife species?', 'RA9-D How do you handle any wildlife conflicts on your operation?', 'RA9-E What is the operation's policy on resource efficiency and environmental impact reduction?', 'RA9-F How does your operation manage chemical inputs?', 'RA9-G What land and pasture management practices are in place?', 'RA9-H How is air quality managed?', and 'RA9-I How do you prevent and mitigate the potential of metal fragments (foreign material) accidentally penetrating hides or carcasses?'. A red box highlights the 'Edit' button next to the RA9-I question. A red arrow points from the 'Edit' button to the 'Scoring Criteria' section. At the bottom, instructions state: 'Instructions: Select edit and score. For more information on the topic and scoring criteria, click on the blue (!) button'. Below this is a link for 'Leadership and Mentoring'.

- 6) Score your operation based on the criteria
- 7) For more information press on the blue info button for more information
- 8) Add any comments and sign off

The screenshot displays the 'Annual Assessments' interface for Form 004177. A table lists various criteria under the heading 'RA9 Environmental Stewardship and Conservation'. Each row includes a question, a score (e.g., 3, 2, 1, 0), and a blue information button (i). A red arrow points to one of these buttons. A pop-up window titled 'Information' is open, providing details for the selected criterion, including 'Corrective Action: Acts/Regulation/Codes' and a list of 'Factors to Consider'.

Question	Score	Info				
RA9-A How do you manage water resources?	3	2	1	0	(i)	
RA9-B How are manure and soil nutrients managed?	N/A	3	2	1	0	(i)
RA9-C What practices or processes do you employ to enhance biodiversity and protect habitat(s) of wildlife species?	N/A	3	2	1	0	(i)
RA9-D How do you handle any wildlife conflicts on your operation?	N/A	3	2	1	0	(i)
RA9-E What is the operation's policy on resource efficiency and environmental impact reduction?	N/A	3	2	1	0	(i)
RA9-F How does your operation manage chemical inputs?	N/A	3	2	1	0	(i)
RA9-G What land and pasture management practices are in place?	N/A	3	2	1	0	(i)
RA9-H How is air quality managed?	N/A	3	2	1	0	(i)
RA9-I How do you prevent and mitigate the potential of metal fragments (foreign material) accidentally penetrating hides or carcasses?	N/A	3	2	1	0	(i)

The screenshot shows the 'Agreement to Maintain Records and Documents' section of the VBP Annual Assessments. It includes a signature line for Holly Sparrow, a declaration box, and a date submitted field set to 15-May-2023. A pop-up window is overlaid on the bottom right, showing the same agreement form with a signature and the date.

Instructions: Select edit and score. For more information on the topic and scoring criteria, click on the blue (i) button
